

THE MILLBROOK SOCIETY EDUCATION PROGRAMMING 2017

Presents

THE CIVIL WAR SERIES

“Hatboro and our region during the Civil War years”

In 2015, The Millbrook Society's educational programming focused on Hatboro's founding and its first 100 years as our community celebrated Hatboro's 300th anniversary!

This year, **the Society is exploring our local area's second 100-year period with a particular focus on the Civil War years.** We are planning several interesting programs throughout the year that we trust will provide information, education and fun for the entire family! Our programs are open to the ALL!

Check out our planned programs below and mark your calendar! Please follow **the Society's website** (millbrooksociety.org) and Facebook page for final dates, times and activities (which are subject to change).

Enjoy your passion for history and share in our mission to help keep our rich local history alive! We look forward to seeing you at our programs throughout the year!
